

September 1, 2009

Dear Sponsor,

Thank you for your contribution to San Juan Stage Racing's 2009 dog sled race which benefited the Cystic Fibrosis Foundation. We are now planning for the 2010 race happening from January 20-24 with two stages in Mancos, one in Silverton, and our favorite stage down the winding slopes of Hermosa Creek Road at Durango Mountain Resort. Each year this event attracts mushers from Colorado and other Western States and as far as Canada, Alaska and even Virginia. We hope to make this year's event bigger and better with your help.

This race not only has a far reaching list of competitors, but the spectators come to watch a truly unique event that showcases the beauty of the region and raises awareness and funds for charities that we care about. The Cystic Fibrosis foundation is one that is near and dear to our hearts and we are excited to donate proceeds from the event to helping make CF stand for "Cure Found". Last year's event raised over \$2000 for the charity and we are hoping to surpass that in 2010.

There are many events planned for the week including a "Meet the Mushers" Banquet at a downtown Durango location with locally brewed beer for the event, a truck parade down Main Avenue, and snowmobile auctions from Snowmobile adventures for on course viewing. There will be food and vendors at all stages as well as hats, t-shirts and posters for sale recognizing some of our generous sponsors.

The proceeds from The San Juan Stage Race benefit the CF Foundation which is committed to improving the lives of 30,000 adults and children with CF. Without your generous participation, none of this would be possible. All donations are welcome including in-kind services, gift certificates, and volunteering. Sincerely,
